

LPL 2025 SCHOLARSHIP RECIPIENTS

ACADEMIC EXCELLENCE– SCHOOL INVOLVEMENT

LEADERSHIP-COMMUNITY VOLUNTEERISM

Olivia Speelman (Addison High School)

Olivia has been accepted to several schools and has yet to make a decision as to where she will pursue a degree in neuroscience. Her ultimate goal is medical school with a focus on care for the elderly who suffer from various types of dementia.

Hannah Spitzley (Addison High School)

Hannah has been admitted to the physical therapy (AAS) assistant program at Baker College. Her goals are to earn a doctorate degree and to become a physical therapist. She is very active at her church and her school and involved in her community.

Luke Manders (Onsted High School)

Luke is a student athlete and leader who will be going to Kalamazoo College where he will be playing baseball. Among other goals, he would like to mentor and possibly coach student athletes and continue to be involved in student organizations and volunteer community work.

Barron Mansfield (Hudson High School)

Barron would like to earn his bachelors degree and then become a (CPA) Certified Public Accountant. He has very successfully managed academics, extracurricular activities and community volunteerism including youth football camps and games and wrestling practices.

The Lakes Preservation League is a non profit that supports the Devils and Round Lakes area and its surrounding communities.
